Notice of emergency single lane closure on the A452 southbound

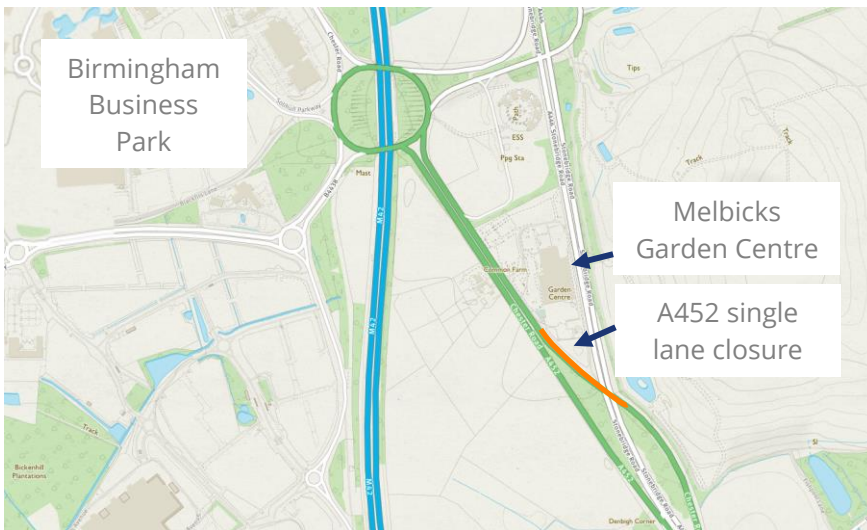

March 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by LM – a joint venture between Laing O’Rourke and J. Murphy & Sons. In your area, we are working near the A452, A45 and M42, which surround the site of the future HS2 Interchange Station.

We need to install a short term single lane closure

Due to recent bad weather, a number of trees within our work site are now at risk of disrupting the A452 near Melbicks Garden Centre. To remove these trees safely, we need to install a temporary single lane closure on the A452 southbound.

This lane closure will be in place from 9.30am to 3.30pm on Friday 20 March. Our contractors may be on site for up to an hour before and after those times to set up and close down the site. You will be able to travel along the A452 southbound and northbound during our works.
