Update of lane closures on Northway and the B4438

March 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by a joint venture between Laing O'Rourke and Murphy & Sons known as LM. In your area, we are working near the A452, A45 and M42, which surround the site of the future HS2 Interchange Station.

We're preparing for our highways programme

In 2020, we will improve and expand sections of the existing road network on and around Northway Island and the B4438, and construct new routes on HS2 land, which will connect to four new highway bridges. These road improvements will ensure that when the future station is operational, the network is fit for purpose.

In preparation for our highways development programme, we will carry out a series of earthworks, surveys and utility works, which will be phased to avoid overburdening the network. From March, we will dig a number of trenches, near Northway, to divert existing utilities. To conduct this safely, we need to install temporary overnight lane closures.

We'll be starting work week commencing 23 March

To carry out this work, we'll need to install temporary overnight lane closures, from Monday 23 March for approximately 4 weeks, on Northway and the B4438 (see map on next page). During our first week of works, temporary traffic lights will be in place on Northway for one night only. You will be able to travel along these roads throughout our works.

We have planned overnight lane closures

Our temporary overnight lane closures will be in place from:

- Monday 23 March for approximately 4 weeks

We will be working on site from 8pm to 6am each evening, but our contractors may be on site up to an hour before and after those times to set up and close down the site.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

From week commencing Monday 23 March.

Working hours will be 8pm to 6am, but our contractors may be on site up to an hour before and after those times.

What to expect

We will carry out overnight lane closures on Northway and the B4438 for approximately 4 weeks. You will still be able to travel along these roads.

What we will do

Keep all sites safe and secure.

Ensure clear signage is in place for drivers.

Leave the area in a tidy state when works are complete.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses across Birmingham and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: www.groundwork.org.uk/hs2funds

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property
