Notice of A446 traffic road closure

July 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by a joint venture between Laing O'Rourke and Murphy & Sons known as LM.

We are continually reviewing works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

We will be carrying out works

We are carrying out junction improvement works on the A446 Lichfield Road, between Water Orton and Coleshill at the entrance to Severn Trent treatment plant. The reason for these works is to ensure the site has suitable access for vehicles required to undertake the building of the railway. We have been working in the area since October 2019 but now need to implement some additional traffic management.

Overnight road closures

Starting on Friday 31st July and ending on Friday 7th August, overnight road closures will take place on the A446 near Water Orton. A signed diversion, highlighted on the map on the following page, will be in place. Access to frontages will be maintained.

- The overnight closures will run from 8.00pm to 5.00am.
- After the overnight closures have been completed on weekdays, works will continue and revert to current traffic management with temporary traffic lights in place between 9.30am and 3.30pm.

Notification

Duration of works

Overnight closures from Friday 31st July to Friday 7th August

What to expect

Some disruption to traffic.

Some low level noise from onsite machinery during working hours.

What we will do

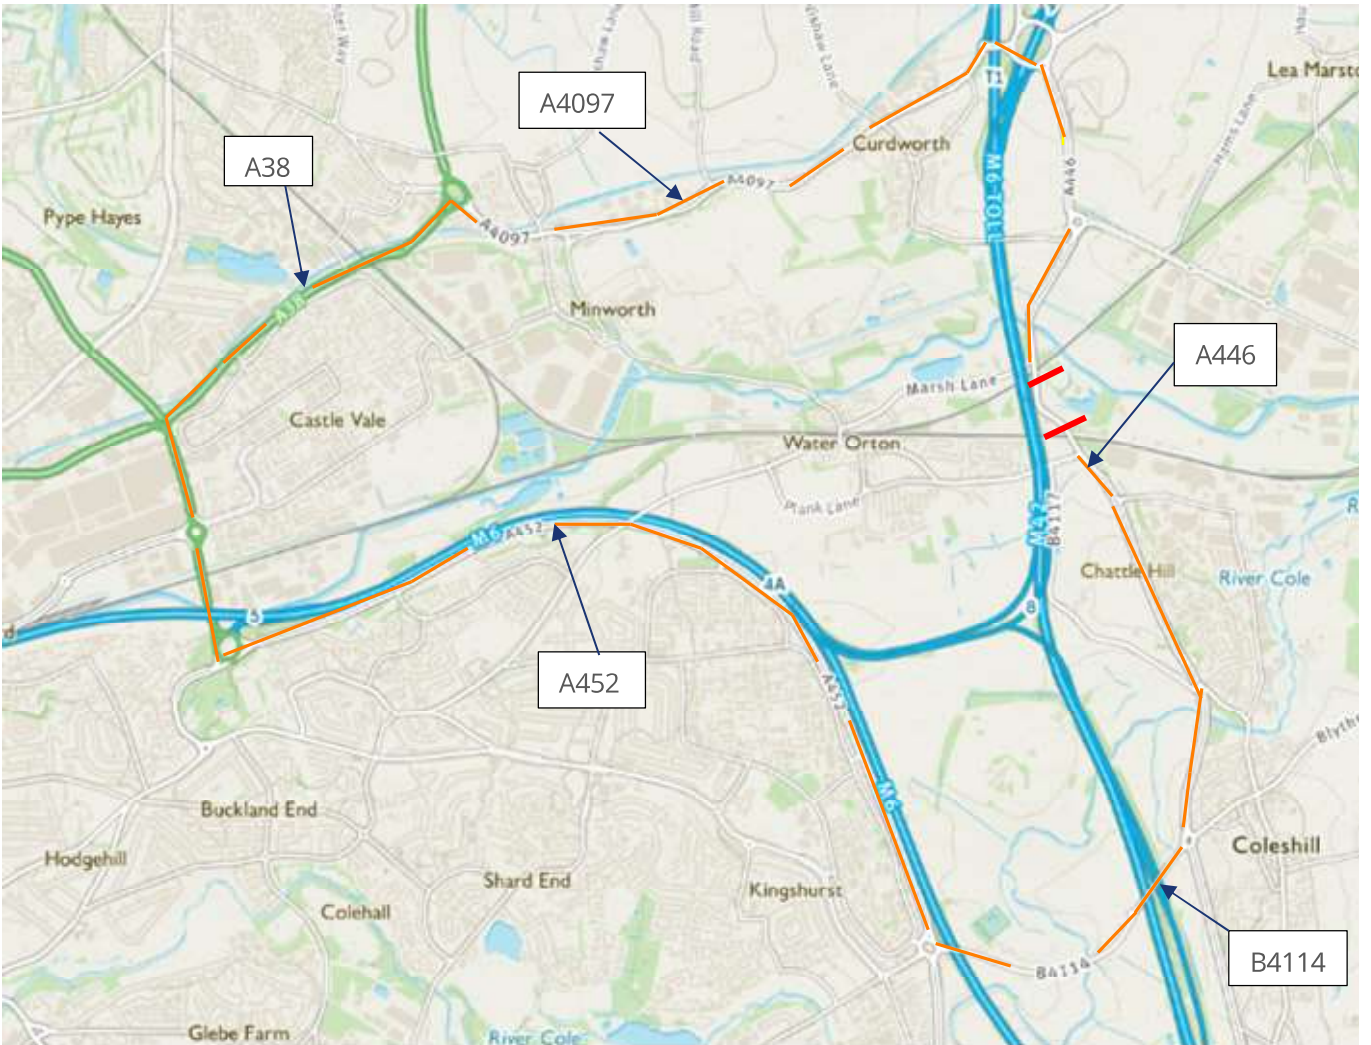

Keep all sites safe and secure.

Keep disruption to a minimum.

Ensure all traffic management is clearly signed with any diversions clearly marked.

Answer your questions via the 24/7 HS2 helpdesk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses in Birmingham and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: www.groundwork.org.uk/hs2funds

About our Community websites

The planning and construction of HS2 is a huge operation – it is currently the largest infrastructure project in Europe.

It's important to us that you are kept up to date about the progress of the Project and any work that may impact you or your community. We have a series of community-focused websites where you can find out what is happening in your local area and sign up for updates about our activities. Our community sites currently serve Birmingham, Solihull, Staffordshire and Warwickshire. More sites are being prepared to serve other areas.

To find your local community website, visit: <https://hs2.commonplace.is/>

For further information about Phase 2a and Phase 2b, visit:

<https://www.gov.uk/government/organisations/high-speed-two-limited>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
