

HS2 Notification: Rescheduling of temporary closure of a short section of the B4438 from Saturday 22 August to Sunday 23 August

During 2020, we will [improve and expand sections of the existing road network](#) in the area, and construct new routes on HS2 land, which will connect to four new highway bridges. These road improvements will ensure that when the future [HS2 Interchange Station](#) is operational, the local road network is fit for purpose.

This is an ongoing programme of works, which commenced in March on [Northway and the B4438](#).

On [Wednesday 5 August](#), we informed you that we were planning to temporarily close a short section of the B4438 from 6am on Saturday 22 August, to 6pm on Sunday 23 August. Due to factors out of our control, we will reschedule this temporary weekend closure on the B4438 within the next six weeks.

We'll inform you of the revised dates in due course at: www.hs2insolihull.co.uk
