## Notice of road and lane closures on and around Northway Island in December

November 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are being carried out by a joint venture between Laing O'Rourke and J. Murphy & Sons, known as LM. In your area, we are working near the A452, A45 and M42, which surround the site of the future HS2 Interchange Station.

### We're improving the local road network

We are remodelling and improving sections of the existing road network around Northway Island and creating new routes on HS2 land. These road improvements will ensure that when the future station is operational, the local road network is fit for purpose. Upon completion, a new T-junction will replace Northway Island. A new 'longabout' is already in operation outside the Holiday Inn Express NEC, on the way to the National Exhibition Centre (NEC).

We started the creation of the new T-junction in April 2021. To enable us to continue to connect parts of the existing road network, to the new routes we have created, a series of weekend road closures will be installed in 2021 on and around Northway Island.

### We'll be starting work on Friday 3 December

To carry out this programme safely, we will install the following temporary traffic measures on and around Northway Island from Friday 3 December to Monday 6 December (see maps on pages 2 and 3):

- We'll close Birmingham Business Park's entrance and exit off Northway Island from **8pm on Friday 3 December through to 4am on Monday 6 December**. Throughout the closure, access to the park will be maintained off the B4438 via Progress Way.
- We'll close short sections of the B4438 and A452 northbound from **8pm on Friday 3 December through to 12noon on Saturday 4 December**, and then from **8pm on Saturday 4 December through to 12noon on Sunday 5 December**.
- On **Saturday 4 December and Sunday 5 December**, from **12noon to 8pm each day**, we'll install alternating single lane closures along short sections of the B4438 and A452 northbound.
