

Dear Resident,

I am writing to you regarding the Coleshill Christmas Market and Lights switch-on taking place on Thursday 24 November 2022 between 2.30pm and 8pm. The event is being organised by the Coleshill Events Team, supported by North Warwickshire Borough Council and Coleshill Town Council.

A road closure will be in place between 12.30pm and 9.30pm for High Street (between Sumner Road and Blythe Road) and for Church Hill (between the High Street and the entrance to the car park). The crossroads between the High Street and Blyth Road will still be in operation.

We very much hope that the event will prove popular, and that people will come from Coleshill and the surrounding area. We therefore expect that there will be a greater volume of traffic looking for parking along the roads and car parks. We will obviously do our best to alleviate any disruption to neighbouring residents and will be encouraging people to walk or cycle wherever possible.

We would also ask residents to keep those roads affected by the road closure clear of cars. Businesses will need to make note of the timings of the road closures for deliveries.

If you have any questions regarding the event please do not hesitate to contact me by telephone 07710 272677

We hope you will join us on the 24th for what looks to be a great day!

Yours sincerely

Deb Bromage

Christmas is coming to

Coleshill
