PRESS RELEASE

Please note that the 25 January 2023 meeting of Coleshill Town Council is to be held at the Community Centre, Temple Way, starting at 7pm.

All meetings of the Town Council are open to the public and there is a 15-minute section of the agenda for any resident to bring up matters for consideration by the Town Council. However, this meeting has been moved from the normal Town Hall room to be at the Community Centre for three main reasons:

1. It is an opportunity for those living north of the Cole Bridge to engage with the Town Councillors, see how the various items are discussed openly in meetings, how the Council operates, its aims and challenges and to see if there are issues that you might want to see addressed.
2. The budget for the next year Council year will run from 1 April 2023 to 31 March 2024, which will be largely after the May 2023 Council elections. This meeting will set that budget and discuss the precept (Council Tax) and other charges.
3. The meeting will show off the building, both to elected members and the public. The building has just had a large series of investments: the floor surface in the Swan Room and corridor have been resurfaced, there have been improvements to the roofing and there are now additional sensor security lights.

If you have not been in the building lately, this will be a very good chance to see it. The meeting will be in the Swan Room, but you will have the chance to also see the Mill Room and kitchen facilities on the night.
